Holistic Healing – Christ 300%

Absolute Bartizan (Genesis 37:1–11)

1. What Is Holistic Healing

Today's message is about **Holistic Healing**.
Holistic healing means the healing of every area related to our lives. Through the gospel, our **body, heart, mind, thoughts, and spirit** are all restored to life. This complete restoration is what we call the **Absolute Bartizan**.

2. God-Given Wisdom: Another Expression of Holistic Healing

The key message of this week is **the wisdom that God gives**.
This is the wisdom God grants us in all things, and it is another way of describing holistic healing. God enables us to see and choose correctly in every area of life. This means the answer has already been given. That answer is **300% — Christ 300%**.

3. Healing Is Certain Through the Gospel

Healing will surely take place.
When we hold firmly to the gospel, Satan is inevitably destroyed. God Himself is the One who heals. When Satan collapses, the Kingdom of God comes upon us. As a result, our hearts, minds, and spirits come alive, and everything begins to change positively. In this way, our entire life is restored.

4. The Absolute Bartizan and the Blood of Christ

Through this process, we receive the answer and become people who can bring healing to others.
The **Absolute Bartizan** is the **Absolute Covenant**, firmly established in our hearts and never shaken. This covenant is the **blood of Christ**, through which Satan's head is completely crushed. Those who stand on this bartizan will surely live a life of answers.

5. The Importance of Continuation

One crucial word is **continuation**.
It means not becoming discouraged but continuing faithfully. Even if we do not understand everything, those who decide to hold only to Christ as their Absolute Bartizan will surely crush Satan's head and succeed.

6. The Second Bartizan: A Personal Covenant

The second bartizan is the **personal covenant God desires for each individual**.
This is the mission God gives personally, planted deeply in the heart like a firmly driven nail. Everyone in the Bible who possessed the Absolute Bartizan held both the absolute covenant and a personal covenant.

7. Biblical Examples of the Absolute Bartizan

Moses held two Absolute Bartizans: **Christ and the journey to the land of Canaan**.
Abraham received his personal covenant through building altars and through dreams. This is the true answer to life, and for this purpose, God has called us.

8. All Events Become Blessings

When we stand in this covenant, every event in life—without exception—turns into a blessing.
This is the power of the **blood of Christ**. Moses was once a murderer deserving death and spent forty years as a shepherd in the wilderness, yet this became the foundation for God's Kingdom. He learned the geography of the wilderness and understood the Egyptian palace, preparing him completely for God's work.

9. Joseph and David

The same was true for Joseph and David.
David wrote nearly half of the Psalms. How could this be possible without deep spirituality? Those who possess the Absolute Bartizan will surely receive answers.

10. A Changed Perspective on Life

When the Absolute Bartizan is established, our perspective on events changes.
This is the vision God gives. Problems turn into God's plans and blessings. When our perspective changes, we no longer fall into disappointment, and everything becomes positive. God is almighty and desires to bless us, so we naturally speak with faith and hope.

11. The Root Problem and the Solution

The reason this does not happen is the problem of **Genesis chapter 3 — Satan**.
However, when we live by the blood of Christ, we enjoy true life in our daily walk. We live by the Absolute Covenant, where nothing is impossible, and every problem is transformed into a blessing.

12. Absolute Covenant Plus Personal Covenant

When a personal covenant is added to the Absolute Covenant, we move forward to fulfill that calling. This is truly precious. God gives His timetable of personal covenant to those who hold firmly to the blood of Christ. May today be that very day.

13. Living Out Christ 300%

Reflect on what your covenant is and what is most precious in God's eyes.
What matters most to God is the **blood of Christ**. The answer has already come to us, but often we fail to live it out. Many confess that Christ's blood is the answer, yet do not apply it in daily life.

That is why we speak of **24 hours, Christ 300%**.
When we continually hold to the Absolute Covenant in prayer, healing takes place, and we enter into true communion with God.
