Go to the Promised Land

Genesis 12:1-3

What God desires is to rescue people from curses and to save them. This is possible only through the Gospel, so God sent His Son and fulfilled the covenant. From then on, God's work has been to relay this covenant to the world and to find those who would carry it out. Though this task may seem ordinary, it has brought about miracles that have turned the world upside down, and it has even led to wars in which countless people have died.

1. **Go where He tells you to go**
   1) Mystery to Abraham's success
   2) Just do what God desires
   3) Just knowing is enough
   4) Those who connect with God conquer

2. **It is already determined**
   1) First, He gives the word
   2) Everything is God's plan established before the creation of the world
   3) God's plan never changes
   4) Those who received the Word know—their eyes are opened

3. **The one who knows the mystery of God**
   1) 1 Cor. 4:1 Stewards of the mysteries of God
   2) The One Who Builds the Altar
   3) Time schedule – The Day You Receive the Word
   4) Blessing of the Chosen one – The Mystery of Prayer

4. **Conclusion**
   1) There Must Be a Promised Land Given to Me – Will live a Masterpiece life, a Life that conquers and saves.
   2) Following is the greatest skill. Doing things my own way always leads to failure – Me-centeredness is idolatry.
   3) Listening intently to the Word is the greatest grace. God does exactly according to the Word that He has given.
