

The Conclusion is the Gospel. (Matthew 24:1-14)

The conclusion is the Gospel. The verse 14 states the end will come. And in the end times, the conclusion is the Gospel. Jesus speaks of the end times in this scripture, and many people are very curious and interested in this. It is one of the topics that is so curious and interested, so many people research it, that is why there are many side effects to it. It means, to some extent, they are interested in this topic. And realistically, there is end times for all individuals as well as the earth and this age. However, no one can ever block the end times. But there is an answer to it. It is the Gospel that God has given us answer to the end times. And when you face your end times, what else is needed for you except for the Gospel? The end times of the ages is far greater than the end times of an individual. And the end times of the earth is far greater than the end times of the age. That is why even in the end times of the earth it is only salvation of the Gospel that you must receive. And when the world and the earth come the end time, there is no other answer for them. If there is an answer on earth, then why would God perish earth? During the end times. Who would want to face to their death? And that is why God who has created earth has given the answer. And the bible is a book that explained that all problems have come from the curses of original sin, and that is why it is the Gospel that is the answer to it. And it is the same for us as well. We will all face our end times. The end times will come to this age and to earth. May this be the time that you once again discover the answer and hold onto the answer as your own covenant.

1) The conclusion is the Gospel.

The first point that we look at is that the conclusion is the Gospel. It is recorded in verse 14. "And this Gospel of the Kingdom will be proclaimed throughout the whole world as a testimony to all nations, and then the end will come."

For the believers, this is such an important point as well as a big picture. And everything on earth, this is a standard upon the Gospel. That is why the conclusion is the Gospel for you. And this is the same for those who do not believe. Even if they may dislike it, the conclusion is the Gospel. Today, in the scripture says that the disciples ask questions Jesus when the end of the age and Jesus respond to them. And he says that many will come in my name and say that they are Christ, and they will lead you astray. And there are many people on earth say that "I am Christ, I am God." And there are many people say that "I am the prophet."

Jesus is the true prophet. There is no other prophet. Why do we need a man that is a prophet when Jesus is a prophet? And bible records that he is the prophet alone. And it says you will hear many words and rumors and the nations will arise against each other. And he says that there will be many famines and earthquakes in various places. But he also concludes that all of these are just the beginning of the birth pains. And he says in verse 9, "They will deliver you up to tribulation and put you to death and you will be hated by all nations for my name's sake."

This is how the age will become. Right now, it may not be

like that. But realistically, many people will fall away and betray one another and hate one another and this will take place. And many false prophets will arise and lead many astray. That is written in verse 11.

And verse 12, he says because lawlessness will be increased, the love of many will grow cold. And lawlessness means that they will be able to do what they want to do. Those who have power steal from other people, and that is called "lawlessness". Those who have the authority they will utilize their authority for their own sake. And verse 21, it says "For then there will be great tribulation, such as has not been from the beginning of the world until now, no, and never will be." There will be a tribulation that will arise has never been seen. And verse 22, "If those days have not been cut short, no one would survive. And to that extent, it will be difficult to mankind. but for the sake of the elect those days will be shortened." It is truly thankful. The Gospel is the standard that is why God works according to those who have the Gospel. And in verse 23, it states, "At that time if anyone says to you, 'Look, here is the Christ! Or 'There he is!' do not believe it." And verse 24, "For false Christ and false prophets will appear and perform great signs and miracles to deceive even the elect." That is why you never be deceived by the great wonders and the signs many people perform. Everything is faith alone. Our goal is salvation. So, miracles can exist or cannot exist. And verse 26, it says, "If they say to you, 'Look! He is in the wilderness,' do not go out. If they say, 'Look! He is in the inner rooms,' do not believe it." And verse 27, "For as the lightning comes from the east is visible even in the west, so will be the coming of the Son of Man." When Jesus comes again, it will be shown to all people. And in verse 29, "Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken." So, may you just simply picture in your head. How would it be like? Suddenly, the sun is darkened. And when it becomes dark, the moon does not shine. And all the stars are falling from sky. And in verse 30, "The Son of Man will appear in the sky, and all the nations of the earth will mourn. They will see the Son of Man coming on the clouds of heaven with power and great glory." This is how Jesus will come again. It is so accurate and clear. And during that time many people will say that "I am Christ!" and they will talk about how false prophets that they are. And verse 31, "He will send out his angels with a loud trumpet call, and they will gather his elect from the four winds, from one end of heaven to the other." However, verse 36 records, "But concerning that day and hour no one knows, not even the angels of heaven, nor the Son, but the Father only." And verse 42, "Therefore, stay awake, for you do not know on what day your Lord is coming." And there are many contents that are recorded in chapter 24. No matter how many contents were recorded in this chapter, the answer is quite simple. When you believe in Christ, everything is finished. Regardless of what may take place in your life, with faith alone in Christ, everything is finished. When you believe that Jesus is your Christ, with that faith alone, everything is finished. Is it truly amazing? How simple it is. That is why the conclusion is the Gospel.

For those who have faith in Christ, even if false person comes and says they are the Christ, they will not even fall after those deception. And it does not matter whether they are Christ or

not for they believe in Christ. The bible speaks that you must believe in Christ to meet Christ, so with that faith alone, it does not matter even if there is an individual and they insist that they are the Christ. It is because it is not the way to receive the salvation, the way for you to receive the salvation is only by faith. That is why you don't need to listen to others when they say that he is there, or he is over here. It is because everything is finished faith alone. And even though Christ has come down to earth, you don't have to physically go and meet him to receive salvation. It is because the angels will call upon those who elected to go and meet him. God just wants us to believe in him. It is simple but is tremendous. Faith is not something that you can make, faith is given by God. No matter what you do, faith can never take place, it is only by his time that he gives to you. How precious the faith that God has given to you? Regardless of anything that my take place, it doesn't matter, because with faith alone, you are able to receive salvation. God wants us to keep in mind. Because all you must do is simply receive salvation.

And verse 13, it says, "But the one who endures to the end will be saved." And we don't have to be concerned how we can bear and endure. If you try to endure with your own strength and power, then it is a religion. Then Jesus come to teach of religion? Then why did he die on the cross? If there is a problem that you have to endure, God will give you the strength to endure it. For example, if you have been elected but God has given you the problem, then you will not be able to endure it. God will call you. In most cases, whenever the message is enduring it or bearing it, many people deceive it as a religious lifestyle and religious way. They do not see the Gospel and its perspective. The moment you believe in Christ, you have received salvation and the Holy Spirit towards in you. That is the completion of the salvation because he has finished everything regardless of the sins that you have committed. And in verse 22, it says, "And if those days had not been cut short, no human being would be saved. But for the sake of the elect those days will be cut short." It means those who have been elected by God have received the salvation. Even in the end times, if you must endure and bear, God will give you the strength to do that.

In 1 Corinthians 10:13, it says, "No temptation has overtaken you that is not common to man." He says that if there's temptation that you have to bear, then I will give you the strength." And with the temptation, he also provides the way of escape." If we see the book of Revelation, it records of the rapture. Rapture means you are ascending to heaven. It means Angels must gather those who elected to be ascended to heaven. No mankind can ascend to heaven to receive salvation. There are many people who are stuck in this mindset. That is why we call it religion. So, regarding salvation, the start and the end is faith. It does not make sense you have to endure your own with your own strength and you must bear through, and you have to know the time and date of the Lord comes. These are all from heresy. That is why we say religion is the standard of mankind. You must be able to believe in God with God's standard. That is the Gospel. All you have to do is simply wait for the Lord who will descend to earth. It is such a useless work of you to prepare for the Lord is coming even know when he will come. And there's no one can guess the day of the Lord will come correctly. There's no reason for them even know the day. All they have to do is just simply

wait for the day when the sun is darkened, and the moon loses the light, and the stars fall from the sky.

Whenever you listen to misinterpretation of Book of Revelation, I think that is so foolish. All they have to do is just proclaim the Gospel. And there are many people who misinterpret and misuse the phrase to stay awake. It is by the faith alone that finishes all the last disasters of the end times. And that faith alone is enough for you. God already knows who he has elected. Those are the ones who have the faith in Christ. And verse 42, "Therefore, stay awake, for you do not know on what day your Lord is coming." It is incorrect if you misinterpreted as to stay awake so that you can know the day of the Lord is coming. And John 5:24, it speaks about the importance of salvation. And it says that those who believe has been passed from death to life. And if it's so important to know the day of the Lord is coming, then he would have included the day as well within verse 24. And if you misinterpret to stay awake to know that Lord's day, then it is incorrect. And for you to stay awake means you must be able to stay awake so that you are able to have faith to receive the salvation. Then why God record when the day of the Lord is coming? It is because when the day of the Lord is coming the door of salvation will close and it will never open. Salvation is concluded with faith alone. Knowing the day of the Lord is coming has nothing to do with the salvation. Then what is the point of staying awake? To stay awake means, you must be able to believe in Christ and receive salvation before the Lord is coming. And what is the message of Matthew Chapter 25 that we will focus on 2 weeks from now? That is, you must prepare the oil that signifies of faith to genuinely believe in Christ. May you hold onto this as your covenant and may this be blessing upon you. The faith in Christ is your conclusion and the conclusion is the Gospel.

2) We must relay the Gospel.

The second point is that you must proclaim the Gospel. It says in verse 45, "Who then is the faithful and wise servant, whom the master has put in charge of the servants in his household to give them their food at the proper time?" We speak about the spiritual food and that is the Gospel. In verse 46, "Blessed is that servant whom his master will find so doing when he comes." And in verse 47, "Truly I say to you, he will set him over all his possessions." If this time passes, for them to receive salvation there's no time for them to receive it. Lord is looking for those who will proclaim the Gospel who give the food for others. In the last end times of disaster, it is only the Gospel for mankind to be set free. And it is only the Gospel which Christ shed the blood on the cross. It is because only forgiveness of sin inside of Christ. By faith, they have received forgiveness of sin. You must proclaim the Gospel and allow them to believe in this Gospel. This world is wandering and lost because they don't know this simple Gospel. As we live on earth, there are many works we must do. You have many plans for the sake of the future and so on. Rightfully so, everything is needed, and you need that. But what will happen if tomorrow is the last day on earth? If so, you would have many thoughts to that. That is why your interest must only be proclaiming the Gospel regardless of all the works that you do. That is what means to stay awake. With faith alone, everything is finished, and you must be able to proclaim the Gospel. May God's the greatest blessing be upon you.
