
Only Gospel, Absolute Watchtower

Scripture: Acts 1:1–8

Introduction

I hope this afternoon becomes a time of receiving grace. God works through His Word; therefore, when the Word enters your heart, that is all you need. As today's title suggests, we must not just have the "Gospel," but **"Only Gospel."** For a person who has become "Only Gospel," that Gospel becomes an **Absolute Watchtower**.

An "Absolute Watchtower" means unconditional conquest and guaranteed answers. It means that if a problem arises, it will be reversed into a victory. Because Jesus died for us, we can never truly "die" (perish). Because He died for our answers, there is no such thing as "no answer" for us. We must live by the Covenant and the Word. Even if we fail due to a mistake, things will be overturned. That is what it means that He died in our place spiritually. Believe this. This is "Only Gospel." It becomes a Watchtower that never loses and always conquers. It doesn't matter if there is war, slavery, or the wilderness; everything is turned upside down for good. This is what Jesus accomplished on the Cross. Confirm this daily until it becomes an Absolute Watchtower within you. Once that happens, it doesn't matter what the world says—you will remain unshaken.

Points of Introduction

1. **The Covenant is God's Promise:** The Covenant is the blood of Christ. It is the promise that destroys original sin and Satan, the root cause. It grants unconditional liberation. Even if you are caught in a mistake or sin, this promise still applies. Just as God struck down those who hindered Abraham—despite Abraham's unbelief—He protects us because of the authority of the Gospel.
2. **The Promise of God's Work:** It is a promise of what God will do and what is needed for that work. Hold onto this and challenge yourself toward a "300% victory."
3. **The Absolute Watchtower is Spiritual:** It is a conclusion formed within you. It is the realization that the blood of Christ settles everything. Most believers separate their finances from the blood of Christ, but we must align them. Did Christ die for my economy? Yes. Why? Because if I have the means, I can devote my life to **World Evangelization**. If I lack, I waste my time just trying to survive. We must pray: *"Lord, I want to give my life to you; let me not be enslaved by money so I can go to the missions field."* Change your thoughts to change your prayers.

4. **A Masterpiece Will Follow:** When you live this way, a "masterpiece" (a life testimony) naturally emerges. Listen to the Word specifically and continuously. Hold the Covenant, pray, and participate in training.

---

1. The Absolute Covenant of the Early Church

- **Start from Christ:** We have heard this word countless times, but we must continue to progress in it. Our goal is the Kingdom of God.
- **The Work of God's Kingdom:** Everything we do before God for the sake of evangelism is the "work of the Kingdom of God."
- **Only Holy Spirit:** This is not done by your own strength, but by the power of the Holy Spirit.
- **Only Prayer:** Do not be discouraged; live by holding onto the Covenant.

2. The Antioch Church (A Model for Missions)

The Antioch Church is our model, especially for our missions in the US and Latin America.

- **The First Missions Field:** We must pray for the Remnants and multi-ethnic groups.
- **A Place of Many Disciples:** Disciples must continue to rise and form teams within our church.
- **A Heart for Missions:** Our church has received much grace. Unlike many other churches that might only visit a field once or twice, we are constantly connected via Zoom, teaching the Bible and raising disciples.
    - *Example:* In **Nicaragua**, a team of 5–6 pastors is developing the field. In **Cuba**, doors are opening further. In the **Dominican Republic**, Pastor Nelson (who was involved in mysticism/deliverance ministry) is now receiving the Word. After attending 40 days of training in Korea, I believe his eyes will open to the Gospel, potentially opening doors to 86 other pastors.
- **The Power of Biblical Knowledge:** Why do these pastors follow this message? It is because the Bible is interpreted clearly through the lens of the Gospel. When the Bible is explained systematically, it has an impact. I have prepared materials on Genesis—if you study and memorize the flow of the Gospel within it, God will use you.

3. People with the Absolute Watchtower

- **Communication with God:** They knew human effort wasn't enough. Joseph didn't argue with his brothers; David didn't over-explain himself to his critics. They let the results speak.
- **Transcending the Age:** They lived with God, transcending the world and its circumstances.

- **A Monumental Masterpiece:** They didn't just leave a work; they left a "monumental" masterpiece that evangelized their age and the world.

Conclusion

1. **Become a Witness:** Those who have the evidence of communication with God become witnesses. Sometimes God uses suffering to lay the foundation for a great answer.
2. **God’s Desire as my Watchtower:** A person aligned with God's heart will unconditionally conquer—not for power, but to save lives.
3. **Possess the Answer:** Christ is the answer. When Christ truly becomes your answer, your spiritual state changes. Even if your circumstances look poor, you have everything because of the Gospel. That is faith. That is the authority of Christ. Even when you are still, you are conquering.

Just as we saw this morning, God doesn't need the kings of Babylon or Egypt to fulfill His plan. Even if you fall short, God’s choice does not change. Hold onto this authority.

Prayer Heavenly Father, we thank You. Thank You for Your precious Word. We give all glory to You. Allow us to live as Your people and as witnesses who save the world. We pray in the name of Jesus Christ, Amen.
