Evangelism that Takes Place

Acts 16:11-15

There is hardly anyone who feels no burden about evangelism. This is because Satan works and interferes to that extent. However, evangelism that follows the Word takes place and becomes God's evangelism that conquers. Therefore, we must first have the attitude of receiving the Word; if we continue, our eyes necessary for evangelism will be opened, we will come to the answer, and we will become witnesses. We must become a model church of biblical evangelism.

1. **The Place God said to go**
    1) The place God desires
    2) 6-10 : Answer received within the problem
    3) Acts 13:1-3
    4) Acts 9:15

2. **Same day**
    1) 13 : Place of prayer on the Sabbath day
    2) 14 : Lydia who was prepared
    3) Words of Paul – Prepared Gospel and God's desire
    4) 15 : she was baptized, and her household as well

3. **Organization**
    1) Evangelism led by the guidance of the Word
    2) 12 : remained in this city some days – Evangelism done through prayer, God's evangelism
    3) Those prepared with the Gospel and the message – God attaches people to them
    4) Evangelism is finding that chosen, prepared person

4. **Conclusion**
    1) We must ride the stream of the message of world evangelization. Otherwise, biblical evangelism will not take place.
    2) When the Gospel and the Word are restored, the field opens. This is also what should be shared with the connected people.
    3) The Lord's desire is world evangelization, so we must stand in that line in order to meet the prepared people in the field.
