Sunday Core Worship

Re-creation

2 Cor. 5:17-19

Everyone in Christ has been made a new creation. Though once ensnared as slaves to satan and sin, they have become those who have conquered their curses and destiny and now possess the answer to set free those still bound by them. The blood of Christ is what brings about this amazing reversal that happens everywhere, in every person, and in every situation. Wherever the blood of Christ is upon, the overturning of re-creation takes place without fail.

1. New creation
    1) The authority of the blood – always and absolutely brings reversal and liberation
    2) The authority that overturns circumstances
    3) The promise that if one dies, one will live
    4) The Passover, the lions' den, the early church

2. What God has asked of us is the word
    1) The method is to hold onto the word until it is fulfilled
    2) Commanded the movement of the word – 2 Tim 4:1-2
    3) What God reveals through evangelism is the word – Tit. 1:3
    4) When the word is proclaimed, Satan is broken down

3. The word is reversal
    1) Dead fields come alive – Ezek. 37:1-14
    2) Closed doors are opened – every door
    3) There is no way to lose
    4) Even if one perishes, success will come

4. Conclusion
    1) Wherever you take the word, you will conquer. Simply live together with the word.
    2) Those who prepare for worship receive the word and live a life like that seen in the Bible. This is the conclusion of the Bible.
    3) If you change yourself and follow the word, you will live a life that shakes heaven, earth, the sea, and the nations.
