Gospel and the Field

Acts 14:8-15

While the Gospel is, in and of itself, an eternal promise, power, and authority, it is only when the gospel is relayed in the field that we can most clearly understand what the Gospel truly is. Therefore, knowing and understanding the Gospel is always linked to evidences in the field, and only by seeing the Gospel at work in the field can we confirm its true form. And it is only then that we come to understand the living Gospel.

1. **Gospel that doesn't know the field**
    1) The Gospel was originally prepared for the field.
    2) The true discovery of the Gospel takes place in the field.
    3) Assurance comes through evidence.
    4) A Gospel without the field is only half a Gospel.

2. **When your eyes are opened to the Gospel, Evidence follows**
    1) Resolved all the problems of disaster, satan, and hell.
    2) Problem present from birth – Curse and destiny.
    3) Eyes open to Satan – Fundamental cause – Gen. 3:15 – Religion.
    4) Spiritual eyes – Spiritual problem.

3. **Condition for evangelism**
    1) Accurate Gospel.
    2) Guidance of the Holy Spirit – Guidance of the word.
    3) Communication with God's will – Oneness.
    4) Biblical Evangelism strategy – Direction and picture.

4. **Conclusion**
    1) Without understanding the field, even if you know the Gospel, a Word movement will not arise. You cannot know the Gospel without the field.
    2) When you receive the Word and follow it, the field opens up. Life is restored, power is revealed, and your life becomes a masterpiece.
    3) The world is spiritually completely ignorant. Everyone is deceived by Satan. This is the reason we must carry out the Word movement.
