Expert of Christ

Acts 16:19-34

If the gospel of Christ fills the world, the world will be at peace and curses will depart. Of course, even then the curse of original sin would still remain in the background, but society would become far more gospel-centered than it is now. If the church proclaims the accurate Gospel and the true gospel is living in the field, Satan will kneel. However, it has become an age of spiritual ignorance that desperately needs many such experts of Christ.

2. **A Person who follows the Word**
    1) Acts 16:6-10
    2) Acts 13:1-3
    3) Genesis 12:1-3
    4) Christ is the content; following the Word is the way.

3. **A person who devoted their entire life to evangelism**
    1) RT 7.
    2) The gospel goes as far as evangelism.

    4) A person who knows the church.

4. **Conclusion**
    1) A Gospel expert is a human expert. Because the Gospel is the answer for humanity, the greatest counselor is the gospel.
    2) If you know the Gospel and understand evangelism, you will be victorious anywhere and stand at the center. If you know prayer, you will conquer.
    3) Evangelism is not a burden; it is the answer. When your eyes are opened to the gospel, evangelism takes place naturally. A conqueror is an evangelist.
