My Importance

Acts 9:10-19

God has a plan for us to save one region. The Holy Spirit is not within us without any reason. God has the same plan for the person we meet in the field as well. He also has a plan to save the field we are in together, save a nation, and even change the stream of the age. He has for us the very same plan that He had for the 7 Remnants in the Bible.

1. **We are Important People**
    1) If I'm Gospelized, I can see.
    2) I realize that it is not by chance that I live here.
    3) When I know this truth and focus on prayer, the Word becomes the answer.
    4) When I follow that Word, I encounter the prepared answer.

2. **Ananias**
    1) God's bartizan of that region.
    2) Most Important VVIP – the work of God's Kingdom.
    3) A person standing at the center of the turning point of that age.
    4) Prepared person.

3. **My Identity**
    1) I must open my spiritual eyes regarding myself.
    2) Only then can I discover meaning – my region, business, field, and church.
    3) Keep praying so that I may accurately meet those who have been prepared.
    4) A person of prayer who has made a firm resolution.

4. **Conclusion**
    1) When you receive the Word and ask for the reason, God works precisely. This is the answer to prayer.
    2) There is no answer without following the overall flow of the Word, because people are doing things their own way.
    3) Seeking the people, places, and work that God has planned is the guidance of the Holy Spirit. If you follow the Word, you will meet them.
