The Bartizan of the Evangelist

Acts 1:1-8

If people live according to their own thoughts, they will inevitably be overcome by Satan and end in disaster. By no human method can people resolve the destiny brought about by original sin on their own. Therefore, they must seek God's way and follow God's will. Then our lives will also be victorious and of conquest. This is why we must ask questions through prayer and seek to understand the reasons.

1. **Questions to Always Ask**

   2) Field – Here.
   3) The People I meet.

   7) What to surely keep – Scattered ones – Acts 2:9-11 – Samaria – The Ethiopian eunuch – Ananias – Simon the tanner.

   3) Pray until you see the way.
   4) The person you must meet without reason.

4. **Conclusion**

   2) The answer is to receive the Word. The Word conquers every field and makes dry bones become an army.
   3) If you simply endure problems, they become scars. The power of the Gospel finds the blessings hidden within problems.
