

The Way (John 14:1-6)

Today's message is entitled The way. Of course, the unbelievers are quite familiar with this bible scripture. To say that he is the way means that He is the answer. How can your life door be open? You must continuously confess that Jesus Christ is your way. It's quite simple. Before you begin your day you must confess that Jesus is my way today. Then your life path will open for you. It is the same as when you pray you receive an answer. What will happen if there is a door that is continuously being blocked? What should you do? The almighty God and creator God has promised if you simply pray and confess that Jesus is your way He will open up the way for you. Life is very simple. The covenant is completed so what is left for you to do? You must hold to the covenant and pray. There is nothing else that needs to take place for the covenant has been completed. There is no reason for Jesus to come again for He has completed it. All that's left for you to do is to pray. Within that prayer must contain the covenant, for the covenant is the answer. Jesus said I am the way that is the covenant and promise. Your prayer is to confess that Jesus is my way. We call that confession. You are confessing God's promise to yourself. You must confess even today that Jesus Christ is my prophet. You must confess Jesus Christ is my king who completely destroyed all the works of the darkness. It is prayer that you firmly hold to the covenant and confess that Jesus is my true priest who has completely set me free from all sins and curses. What does it mean to say that Jesus Christ is almighty? That means that there is no other excuse. There is no other reason. When you hold to it there is no one that can ever block it. That's why life is so simple. When you do not do this, that's when your life begins to get complicated. May you put everything aside and just do this. We are within the last month of the year. It must be a month in which you must be thankful for all the answers and blessings He has given to you. Also it must be a month in which you are able to look back and prepare for the upcoming year. For yourself as well but including the church there must be a specific plan of God that we must hold to. 2 to 3 months ago God gave me the word for the upcoming year. I am holding onto the covenant that God has given to me which is regional church, church officers, and the remnants. Of course the multi-ethnic are included within that. The multi-ethnic regional church, the multi-ethnic remnants, and the multi-ethnic church officers. As I was listening to the evangelism studies message there was a very important key point that hit my heart. God related the message to Rev. Ryu of the big plan strategies of what the churches must do if they have under 100 congregational members or over 100 members. The most main key point for a church that has under 100 church members were the 70 workers disciples. It was correlated to the business people's church officers and the evangelists. I was able to once again confirm that I am being led by the Holy

Spirit for God has already given me His word in advance to confirm through the flow of the headquarters message. It has been a couple of years that we have mentioned and held to the covenant of systematic evangelism for the church. Also, through the fourteenth booklet from the evangelism church camp we have shared the importance of the evangelism system. We shared the team ministry evangelism through which that has taken place through Apostle Paul. It's not merely team ministry that forms a team but it is a team in which the disciple goes hand in hand to the field. Team ministry evangelism is the core point of systematic evangelism. Our church goal is not to just simply end with evangelism one on one but for us to establish an evangelism system underneath us that will continue on this evangelism movement. Also, the scholars of the bible say that when Paul was in prison that was when many works arose. Of course, it would be impossible if evangelism only took place one on one for Paul. However, he was partaking within the evangelism movement to which God attached the disciples underneath him so that they could continue on the movement out in the field. This is what we must partake within and that is what systematic evangelism is. I do believe this is just the start within our church but yet we are receiving answers to that. That is why God has given me the covenant of the regional church. Starting from next year we will continuously train the church officers to be raised as regional church ministers. In the book of Luke chapter ten it says that Jesus had raised and appointed disciples yet He also raised up 70 workers. Also, it speaks about the lay leaders of the disciples that were greatly used by Jesus aside from the apostles. It was the 70 workers evangelist and the 70 workers disciples. Also, along with this we will begin to train the seventy workers church officers. I do believe that God will give us great evidence as well as answers and the commission that we must hold to. To be honest through the headquarter message we are continuously receiving training of the church officers messages. But I am sharing this with you because I believe that this is the time schedule that we must be able to apply within our church as well. Especially for the church officers I request of you to listen to the fifth church officers conference messages that concluded yesterday. Next, the covenant we must hold to is the remnants. Remnants, first and foremost, must personally be trained within the gospel and truly personalize it inside of themselves. I'm truly thankful that our church continuously holds to each of the remnants because we are living in this age where many of the remnants are leaving the church. It's only ending with training the remnants. However, we must be able to raise the remnants as the English-speaking ministers. We shouldn't just end with them receiving salvation by the gospel that they hear but also raise the minister that will only proclaim this gospel. It's been about 30 years since we started this gospel movement in America, and there is still a lack of English-speaking ministers. And among the multi-ethnic, we need to support those that can speak English. Our church must have the mindset to support those that desire to be used as

ministers and evangelists. This is a frequent topic that we talk about during our session board meetings, and the elders have the heart to be used for this. Especially for the remnants, the multi-ethnic disciples, and the ministers, may you partake in this. In the past, whenever one thought about pastors or ministry, they thought about how hard it was and had negative thoughts about it. However, if the pastor holds to the accurate gospel, the world will change. It is because the light of God will shine through the pastor. That is when you will have the mindset that pastors are very important. I, for myself who was a pharmacist in the past, would not go back to pharmacy even if someone offered me a free pharmacy surrounded by hospitals. I'm not looking down on other occupations. I am saying that, to that extent, pastors are very important, and I'm pleased with it. These are my own perspective and opinion that if all 8 billion people were to be pastors, God would provide all of our needs and would be greatly pleased with that. Of course, you don't have to force yourself to choose the pastoral ministry path if God did not call you. I hope that many of our young adults as well as the remnants will have the heart for this, and especially our church officers, I hope they will be able to give their all for the sake of this work. During our session board meeting, we are discussing the establishment of a fund so that we can provide support to the remnant ministers and multi-ethnic ministers. Now, I am going to share the three covenants you must hold onto for the upcoming year. Little by little, I will relay the vision as well as the covenant that we must hold onto for the next year.

1. The Way

Today's message is entitled "The Way." Today's Bible passage is one we are quite familiar with. In the first verse, Jesus says, "Let not your hearts be troubled; believe in God, believe also in me." It is a very important message. The Lord says, "Do not worry. Believe in me." Mankind is seized by Genesis 3, so it is their nature to worry. So, I bless you in the name of the Lord that you will have the blessing to only have faith in Jesus Christ. And in Verse 2, He says, "In My Father's house, there are many rooms. So do not worry." We are always so worried about the things of the earth. Our hearts are always centered on earth and not on the things above. Yet, from God's point of view, He doesn't even care about what is on earth. He only cares about the things above. Verse 3 states, "And if I go and prepare a place for you, I will come again and will take you to myself." That means He will save us and give us salvation to which He will always be with us. And then the Lord says, "And you know the way to where I am going." That is when Thomas said to Him, "Lord, we do not know where you are going. How can we know the way?" And Jesus said, "I am the way, and the truth, and the life." The Lord is saying, "It is not about where you are going but whether you abide in me. That is the way you must take. Then, not only will

you be saved but you will gain life." Then, He says, "No one can come to the Father except through me. Everything else is false, for I am the only truth." Of course, there are many people that say that there are many truths in this world that you can believe, that $1+1=2$. Yet, that is not the absolute truth. Everything else in the world is a lie. What does that mean? If you don't follow the truth of only Jesus Christ, you have no choice but to end up in hell. In the end, everyone will die. And that is such a foolish thing to do to simply follow after what is false rather than truth which is Jesus Christ. That is why Jesus Christ says, "Even after you follow the things of the world, you will later come to know that that was all false and will lead you to hell. You must only follow the truth, and I am the truth." That is why the Lord says, "The only way for you to receive salvation is through me alone." And we all know Acts 4:12: "And there is salvation in no one else, for there is no other name under heaven given among men by which we must be saved." And this is what it says in 1 Timothy 2:5: "For there is one God, and there is one mediator between God and men, the man Christ Jesus." It means that there is no other way except through Christ alone. Yet, He isn't only the way to go to heaven. He is the way in every aspect of your life. And to say that He is the way and life is saying that He is the way for you to receive answers. We need the way in which we could have complete victory over Satan and conquest in all. That is why the Lord says, "There is no other way except through me." May you once again confirm the covenant. It is only Christ. Christ is the answer, and Christ is the way. There are people that sue and accuse as heresy because of speaking only of Jesus Christ. It's foolish. They don't know the true definition of Christ. That's why they only see the external appearance of it all. And from the Biblical figures, Paul knew the best who Christ truly was. And if you read the epistles that he wrote, there was always an emphasis on Christ. You need to come to know who Christ truly is. If you truly know who Christ is, He will be everything to your life. Because He is the only way, John 14:14 states, "If you ask me anything in my name, I will do it." And this is what it says in John 16:24: "Until now, you have asked nothing in my name. Ask and you will receive, that your joy will be full." What way is He? He is the way for you to receive answers to prayer. Is there any other way for you to receive answers to prayer? No, there isn't. He is the only way for you to receive answers to them. That is why Jesus has every right to say this to you. He is confident that He will give as much as you ask. It is not quite easy for you to understand these words. I was like that in the past. This does not mean that I am able to say this was a 100% faith, but I have changed quite a lot. In the past, when I read these scripture, I wished that the scriptures would reach my heart, but it did not. I am sure that there are many people who have a far better spiritual state than I did. As I tried to continuously enjoy Christ as I struggled, I had a more complete understanding of who Christ is. I was able to see that anything could take place inside of Christ. This is

the healing of the spiritual state and is what healing is. You will only be able to receive the Word as much as your spiritual state is healed. I believe that you would have your own personal experience regarding this. For Jesus to say "I am the way" means that there is no other way. Jesus is saying that if you decide to follow a different way, you would be disappointed and if you truly acknowledge him as the way, then you will receive a complete answer. There is no one that could lead mankind to a complete answer except him. What is so important in the things you do, that it would help you receive answers to your life? This is different for all people. What is the first thing that you are concerned about, for you to receive an answer to your life? If that is not Christ, then it is not a true walk of faith, but is a religious walk of faith. Christ must be 100% to you. But there is no one that can have 100% in Christ which is why everyone is weak and lacking and lives a religious lifestyle. Including myself. We are in the process of heading towards having Christ as 100% in our lives. I want to share my own experience in which God has been completely changing me so that He will change you as well. Of course it will be quite difficult for you to take your spiritual state to another, higher level. The step for you to reach the higher level is Only Christ. Jesus says that he is the way to all. That is why he also emphasized that you must enjoy Christ. Is it easy to enjoy Christ, or close your eyes, fold your hands, and pray to enjoy Christ? I have no clue as to why God would not change us in a day or two, but it is all in His will. That is why I am emphasizing that you must write the covenantal prayer so that you can struggle to truly hold to Christ. Compared to your past self and present self, you are changing. Now I have a heart to give all to the Lord. There is nothing that is a waste of me. I think this is a tremendous grace given to me. I want to give my all to the Lord. I am not saying that as a pastor before you, but as a church officer, I simply want to give my all. This is not easy, but that day must come in which God will work. This comes according to each spiritual state. And that way? That way is for you to go Only to Jesus Christ. That is rightfully what you must do. God says that Jesus is the way and the answer to all. Even to the nature of Genesis 3 and your body and spirit that can be compelled to it. That is why you must confess that "Jesus is the Christ, the solution to all problems." The Bible records many examples and explanations of Jesus Christ. What are the variety of examples recorded in the Bible? I have not counted it all, but it records numerous times of it. All of the incidents that biblical figures went through were overcome through prayer of the covenant. The crisis was overturned to miracles. A person's life was completely overturned. He was taken as a slave, but was able to stand as a governor. It is a miracle and overturned everything. A prostitute had a child and was in the genealogy of Jesus. A woman had a son who lived next to the ark of the covenant in which there was no war in the time he was alive. It is all a miracle, so the Bible is not a mere story. Do you believe that? However, all of this has

taken place inside of the covenant. What does that mean? This has all taken place inside of Christ. Jesus says, "I am the way" and acknowledges those that do not believe that he is the way. We hear many messages that emphasize the throne of heaven that transcends time and place to shine the light to the 237 nations. How can you partake in this? How can you enjoy the throne? Jesus said, "I am the way." How can you shine the light to 237? Jesus said, "I am the way." How can you be in the praye realm that transcends time and place? He is the way. Can this take place outside of Christ? No, it is impossible and will never take place. That is why the only covenant God has given to you is Jesus Christ. When you enjoy Christ, the result comes from the throne of heaven. The blessing of the throne is not another covenant that God has given to you, but is a result of the only covenant. That is why the only covenant is Jesus Christ. The mediator between man and God, the bridge of it all is Jesus Christ. God's promise that is all contained inside of Christ will be fulfilled because of Christ. The reason is because there is life inside of Jesus Christ in which the Holy Spirit will come for this to take place. That is why he says, "No one comes to the Father except through me." "And there is salvation in no one else, for there is no other name under heaven given among men by which we must be saved." That is why there is only one mediator between man and God who is the man, Christ Jesus. You must once again confirm that this is not only the covenant for you to receive salvation and go to heaven, but this is for you and your life.

2. The Throne

I do believe that following the headquarter's flow of message would be able to understand this. I believe that this is such a spiritual expression. This is a term for those that are able to enjoy 24 within their lives. There were many biblical figures that were able to establish the throne in their lives. The representatives for that would be Apostle Paul, Moses, and the 7 Remnants. It is needed for you to look at Apostle Paul's life, prayer, and thoughts to which he was able to establish the throne of heaven. We were able to acknowledge that he has enjoyed the blessing of the throne because he was able to give his all to the Lord. We have many thoughts that question if he was the one that was able to establish the throne, but yet compared to our own, it has taken place. For ourselves, when we want to pray, we set a time to pray. For Apostle Paul, he continuously prayed for the working of the Holy Spirit. His thoughts were always connected to prayer and that is the establishment of the throne upon him. How is that possible? We need to take a careful look at the start of it all. Apostle Paul was on his way to persecute those who believe in Christ in the city of Damascus. That is when he met Jesus face to face and he was completely stunned. For Apostle Paul, he would never have imagined believing that Jesus is the Christ of Nazareth. That was the truth. At that very moment, everything was completely turned

around for him. That was when his life, his prayer began to establish the throne of heaven upon him, and also the seven remnants as well. What about you? Do you truly believe that you have met Jesus Christ face to face as Paul did? The start is very important. The start is Jesus truly your Christ? That is why Jesus asked his disciples who do you say that I am? Who am I to you? I believe that we need to continuously ask ourselves this. That is how the establishment of the throne will be upon you. Moses is one of the representatives who were able to establish the throne in his life. Without that, his life would have never taken place, and God appeared before him. We've heard many times of Andrew Carnegie who was the king of steel. During his retirement time, he called upon one of his workers Charles Shwab to take over his company. Of course, he said no because he was uneducated. Andrew said that he would ask a specialist to come and help him. If he needed anyone with power, Andrew would call someone with power. Andrew told him that one thing he needed from Charles was the God he believed in. Charles was able to establish the throne in his life. That is how he was able to discuss this with that. He had the thought of establishing the throne in his life. This is important. As time passed by, God has continuously given me the heart to give my all to the Lord. I shared with you once, God told me to give all of my inheritance to him. At that very moment, it was none of the establishment of the throne that came to me, but at that moment I said yes. I went up to my wife and told her that God gave me the message to give my inheritance to the Lord, and she said yes. I thought to myself, "Wow she's such a tremendous woman because she didn't question, but she complied with me." I now come to see that was the start of it all. Little by little God began opening the doors and my spiritual eyes and giving me answers. Now I am in the state where I am so thankful to God and I am able to give my all to the Lord. You must be able to have a prayer that you truly hold to. At least one time a day, you must be able to give your all to the Lord in deep prayer and also write the covenantal prayer. That is the true prayer, that is the spiritual event of your life that really governs your life. That is when you pray. "God, I am truly thankful that I am able to give my life to you. God, please open the doors to my life. It is useless even if you give me the economy if the doors are not open because I cannot use it. Please open the doors of evangelism, mission, and disciple, so I am able to use my economy. There is no reason for me to use my economy on myself." I wonder, how did I come to have this heart. I just yearned to only confess of Christ. Works are bound to take place if you do so. Why will work take place? It is because Jesus said that he was the way. It is because you do not seek after anything else but Jesus Christ, and he will open all the doors for you. Do you believe in this? Do you truly believe in this? If so, begin this today. May you do it with a sincere heart. If it does not work out, may you question, "Is Jesus Christ truly my way?" May you really ask, "Is he really the only way, is it really the truth?" There are many of us who have resolved in our

hearts that we will give our lives and business to the Lord. We are thankful for that. We have resolved in our hearts as Daniel has. There are those who have not yet received the answer or are in the process of receiving answers from God. They are the ones who are able to establish the throne in their lives. They will be able to give their entire lives to the Lord just like Carnegie. If you do not have the heart then please do not force yourself. When God gives you the heart, that is the time schedule he has given to you. If you act upon it without God giving you the heart, that is religion. You have no choice but to suffer, so please do not do it. If you have the thought, just begin with prayer. God will not force you to do so. When you have that thought you will have thanksgiving and be very pleased and joyful to give all to the Lord. You will be in tears and pray to God for giving you the heart to give your all to him. That is what you must do. Do not act upon it first. God will not be pleased. You do not have to do that. When you are able to give your all to the Lord, you are able to see what kind of person you truly are. You will come to see that nothing is yours, you have nothing because it is all by the grace that you have received all from God. You must live this life as well because this is the greatest blessing for you. This is freedom and liberation and conquest. You will never come to understand that Jesus Christ is your way if you just hold to the things of the world. That person will never be liberated. You must be able to pray while holding onto the covenant that Jesus is your Christ the son of the Living God and pray that he will liberate you from all you are seized from. This is how we will raise up many of the Sunday workers, the disciples, the remnants, the multi-ethnic, and the business people. God is alive even now. May you really ask yourself. May you open your eyes wide. May you have a great plan. May you greatly pray to the Lord. May you pray, God may I live this life for the sake of your word. You must be used to save the church. If you are trapped by the church, that is not God's will. God's will is for you to go to the ends of the world to save. You must save America and Latin America. This is a new start for our church. I believe that God will bless us. I bless you all in the name of the Lord that God will bless each and every one of us with his abundant grace and answers for the next year.
