

## Summary of the Law

Acts 15:1-41

Amongst the Jews, there were many people who emphasized circumcision and Sabbath in order to be saved as changes were taking place in the Early Church and Judaism. During this time, many believers did not have the sure answer, so they were lost. At that moment, the Apostles from Jerusalem made a clear decision and organized it all for them. Regardless of it all, they were not able to come out of the ideology from the Old Testament.
