

Word Concentration

Acts 19:8-20

Mankind fell into curses due to original sin and because Satan is at work even today you must have the answer to overcome Satan. That's why God promised one thing to mankind who suffer because of original sin. That was a Word of prophecy, a promise, and the only answer to mankind. Mankind does not have the strength to resolve the original sin that has passed or overcome Satan that worked at that time. This is absolutely impossible for mankind but because God can do it, He promised the answer, and that is Christ the offspring of woman. All creation cannot come out of this answer contained within this promise. That's why if this answer is the answer to your life God's promise will work within your life. Rightfully, Satan will crumble on his own and you will live a life of conquest and enjoyment like in Genesis 1:28. Life is so simple but the reason why it's so complicated is because you do not start like this. The answer that God gave can resolve and conquer all problems that arose due to the original sin. This is the authority of the covenant and the identity of the covenant people. If you live like this, naturally the door of witnesses will open and you will see a lot of evidence. The Bible continuously and repeatedly speaks of this word.

1. **Word concentration**

- 1) Today's bible passage records one of the most tremendous works that arose amongst Apostle Paul's many missions. Verse 10, 12, and 19 records historical evidences. It is important for you to understand why these works arose.
- 2) Firstly, you must look at Word concentration. Apostle Paul explained Christ through the Old Testament everyday for 2 years and this Gospel was testified through the disciples who listened to the Word. Apostle Paul, who had great knowledge of the Old Testament, explained the Old Testament through the eyes of the Gospel once more after realizing the Gospel.
- 3) Evangelism is the Word Movement. That is why 2 Timothy 4:1-2 records when Apostle Paul firmly commands Timothy to preach the word regardless of season. When you relay the Word, the Gospel is proclaimed. The Gospel is only found within the Word. Therefore, it is important for you to deeply and correctly know the Bible not only for yourself or evangelism but for the nurturing of disciples.
- 4) Secondly, they focused on the Word Movement. The 1st Level Camp training consisted of concentration on the Word for 3-4 days, but they listened to the Word throughout the entire day. During this time, miracles arose in people's lives and changes arose.
- 5) They concentrated on the Word every day for 2 years. They were able to restore tremendous Word concentration. If the Gospel is the answer, you must abandon everything else and do this first. Then, you will receive answers and you will also get to experience the miracles recorded in the Bible.
- 6) The word "continuation" is used because it is not easy to set a time of concentration. You must have a continuation of the Word movement for yourself. You must have a continuation of all of the spiritual works which include listening to the Word, organizing, meditating, confessing, and holding onto Word as your covenant. As you participate in this training in which you are concentrating for a few days, it may be a tremendous, personal time schedule.
- 7) The fundamental of the numerous miracles of Apostle Paul is Word concentration. It is the same when receiving answers for such miracles in your life. May you receive the blessing of deep Word concentration to see and testify with much evidence.

2. **Took the disciples with him**

- 1) If Word concentration was the content of work to arise, then it was the best strategy for him to take the disciples. In verse 8 and 9, it states that he took the disciples with him to the Tyrannus hall and daily he reasoned with the Word. This continued for two years and many works arose.
- 2) Evangelists must know this principle. If your spiritual eyes are opened to this, Biblical evangelism will arise. However, God did not allow this principle to only be applied to Paul, but from the onset it was God's principle.

- 3) In the age of the Old Testament, God's method for evangelism was to choose one person and through that one person, important disciples arose. Through them, evangelism took place. To be used for evangelism. The 7 remnants are the representatives of that aspect. The disciples were the representatives of that age and many disciples arose through them.
- 4) Also, Jesus spoke important evangelism principles. Mark 3:13-15 is a very important scripture regarding evangelism and disciples. It states that Jesus called those whom he desired. Even now, Jesus is calling those whom he desires.
- 5) Also, God gives full conviction to those whom he desires. It is Matthew 13:8-9. It states, "Other seeds fell on good soil and produced grain, some a hundredfold, some sixty, some thirty. He who has ears, let him hear." It is a very important message and the principle is unchanging.
- 6) Therefore, Jesus raised the disciples first before he evangelized. Also, Jesus cohabitates with the disciples for them to see who He is and for them to come to the answer. That was the content of evangelism. He relayed this content and established the strategy of nurturing the disciples.
- 7) This principle was revealed upon Apostle Paul's field. Wherever he went, he sought the disciples and left the region once the disciple was established. The representative of this work is stated in Acts 19. It was matched and aligned to God's will.
- 8) You must possess the spiritual eyes as well. Through that, you will be able to partake in evangelizing in America and Latin America. Evangelism has been given to you to relay this and save many people. Likewise, you have received salvation through the Gospel.
- 9) In this age where the Gospel is disappearing and many believers have lost the path to take, then you who hold to the Gospel are blessed. With the heart of thanksgiving for the Gospel has been given to you, may you devote yourself to testify the Gospel to save many.
- 10) Also, may you be the one that has ear to hear. May the blessing be upon you to partake in the most effective evangelism that God desires. If you partake in Biblical evangelism, then God will allow evangelism to accumulate in your life. Then, you will be able to plan many things for evangelism and partake in evangelism that conquers.
- 11) You have received the historical Gospel and are called by God for the sake of the evangelism movement in this age. May your spiritual eyes be opened and be raised as an evangelist. May the blessing be upon you to receive much evidence to stand as His witness.
