The Power of the Gospel

Romans 1:8-17

Last week the message spoke about Hannah. During hardships Hannah prayed to which she received the Word from God that became her lifelong covenant. She gave birth to a historical son and she became a mother who received the greatest blessing at that age. The Word she received became her answer on that day so even if Hannah did not conceive a son starting from that moment her face was no longer sad. This means that when the Word comes into your heart, you have received the answer in advance to which you will conquer your future. This is the power of the Word. You must receive this Word. Though many things take place through worship, you must receive the Word. The Word that you receive now is the same Word that God gave when He created all things. It's just that the type of work that takes place is different. Therefore, when you receive the Word through worship, the works of creation will take place in your life. After that incident Hannah became a completely different person. Her heart was filled with hope and assurance to which she became a completely different person as she began to pray for God's desire. There are many examples regarding this recorded in the Bible. This was the case for Moses and Apostle Paul as well as Luther within church history. Luther discovered the covenant of Romans 1:17 as he read the Bible. Afterwards, the work of completely overturning the history of the world took place. This is the Word. This is the reason why you should pray and give worship throughout the week.

1. The power of the Gospel

- 1) The Gospel is the power of God. (Verse 16) Therefore, Paul confessed that he is not ashamed of the Gospel. This is because he saw many people be saved from their curses and receive salvation through the Gospel.
- 2) The Gospel is God's answer in response to the 3 fundamental problems. Because mankind can never overcome these fundamental problems, but problems arose. There were no problems before original sin.
- 3) The Gospel is given to you in a form that is the answer for all of the fundamental problems. That is the True Prophet, True Priest, and True King. (Jn 14:6, Mk10:45, Gen 3:15, 1Jn 3:8) Those who believe in this will receive salvation and those who confess this and hold onto this as their covenant will receive God's answers as promised.
- 4) Therefore, the fundamental problems and all other problems are solved. You will be able to conquer your problems because when you are continuous within this, the answers will overlap. The core of being the remaining one, the pilgrim, and a conqueror is this Gospel.
- 5) When you believe, you will receive status and when you enjoy, promises will arise. Because the Gospel is God's promise, works will surely arise when you enjoy it. And God explained that there is no answer other than this. The root cause is original sin, the fundamental problems, and Satan. Mankind alone can never overcome this.
- 6) However, today's message is that you can overcome it with the power of God in the Gospel. May you receive the blessing of discovering this truth and deeply holding onto it as your covenant.
- 7) There is no reason for you to resist if you discovered it. It is the same for all things. Therefore, it is pivotal for you to discover this and realize it. Your spiritual eyes will open when God's Word enters. There are many instances when you make a realization while you pray like Hannah did. Then, your spiritual eyes will open and you will come to the answer.
- 8) After Hannah discovered and realized the principles, there was no reason for her to worry. It is your goal to receive the Word that opens your spiritual eyes. Then, you will be able to do things you couldn't do before and God's work will arise.
- 9) You must have these spiritual eyes to follow after, communicate, and understand God. God sees that communication is the most precious. Therefore, you must always have the correct attitude of prayer to receive this Word. Then, you will be led by the Word inside of the Gospel and surely conquer and have victory in your life.

2. The person of the covenant

- 1) Everyone must live by the covenant. You cannot receive an answer to life if original sin is not resolved and Satan is destroyed. If you live by the basic methods of the world, then you will live a similar life to the non-believers. No one can be connected with God through the basic methods of the world.
- 2) You are not like the non-believers who live in flesh and die. If you live the spiritual life for what God desires, then He will fill all your physical needs as well.
- 3) The Bible states many examples to explain this. All the 7 Remnants lived the spiritual life to which they never worried about their living. All the physical problems that they faced were conquered. They were raised as complete witnesses.
- 4) This is the reason why you must live by God's covenant and the spiritual life. There is God's desire that never changes. It is to save many by the gospel. For the sake of this, God is maintaining the world.
- 5) For God, He has left His people that must gain salvation in the world and many who will be borned to receive salvation as well. That is why God is maintaining the world until now. Many people in the world are oblivious to His grace as "they say in their heart, "There is no God" (Psalm 14:1).
- 6) God's heart to save many will never change to which it is the absolute covenant. God's heart that will never change is centered on the covenants of Jesus Christ and world evangelization. Therefore, your spiritual eyes must be opened to this. The one who has their spiritual eyes opened to Jesus Christ and world evangelization is a person of the covenant. Your spiritual eyes must be opened to this to which you will see and enjoy many things.
- 7) All the Biblical figures of each age's hearts connected to God. God overturned their lives to miracles. At that time, all the works of Satan knelt before them and no one could hinder their lives. Hannah is one of the representatives as well. She conquered all problems, prayed for the greatest and most important work, and gave her entire life to God.
- 8) Jesus Christ is the answer. You must testify to Jesus Christ to save many people. This is the answer to your life. If you uncover this, you will live a completely different life. Your spiritual world and answers to prayer will be different. Your faith and spiritual state will be different as well.
- 9) All the spiritual changes upon your life will be revealed in the fields as answers. Not only that, the doors to evangelism will open. You will no longer be a burden, but pray to gain the spiritual power for the doors of evangelism to open. It is bound to take place to which you don't need your strength, but just one thing. That is to know the 5 things and 5 powers.
- 10) May you live the life of the covenant. Then, you will live the life of the pilgrim and as a result the work of conquest will be upon your life. This is the life of the person of the covenant. May you receive the Word and see the work of creation throughout the week.
