# The Age of the Three Day Weekend

John 2:13-22

God does everything according to the Word. God leads the age and each individual by the Word. The main focus of this age is the true Gospel movement and the Biblical evangelism movement. To put that into action, the disciples training and remnant movement must take place. Also, prayer movements must arise to fight the spiritual battle. The age of the three day weekend is the specific direction of the remnant movement. Through the culture, Satan is dominating the youths and adolescents through the second Tower of Babel movement. This is the reason why the age of the three day weekend is so important.
