Be Imitators of Me

1 Corinthians 10:23-11:1

There must be a covenant between God and creation. As long as the covenant is alive creation will not die. Therefore, the most important thing for creation is for God's covenant to be alive within them. Then the Bible explains that God will do the rest. This is the one who has a mindset centered on the covenant. If you have spiritual salvation and a place to live physically, there is nothing more you need to receive. It is God's covenant that satisfies all needs both spiritually and physically. Therefore, mankind must rightfully live by the covenant. Then all things promised within the covenant will appear within your life. God will never leave you even if you desire to leave Him. This has become your fate and you cannot change these facts. If you hold onto this as the covenant and fight the spiritual battle you will have victory. It's a battle that you've already won. God stated that I have given to you. May the grace be upon you so that this can be rooted within you once again.

1. Be imitators of me

- 1) 1 Corinthians 11:1 states, "Be imitators of me, as I am of Christ." Apostle Paul stated something that is not simple. However, those who know of the spiritual things and have encountered this mystery can understand it.
- 2) Today's bible passage records a few things that Apostle Paul stated for his disciples to become imitators. Firstly, Verse 23 states, "'All things are lawful,' but not all things are helpful. 'All things are lawful,' but not all things build up." This is such a precious posture to have.
- 3) Verse 24 states, "Let no one seek his own good, but the good of his neighbor." Verse 31 states, "So, whether you eat or drink, or whatever you do, do all to the glory of God." Apostle Paul lived this kind of life. He was a person inside of 24.
- 4) Verse 32 states, "Give no offense to Jews or to Greeks or to the church of God." This means that you must become a person who understands and accepts others as you must rise above them. This was possible for Paul. He came to Only within his covenant and became a person of 24 who does world evangelism through this.
- 5) Verse 33 states, "Just as I try to please everyone in everything I do, not seeking my own advantage, but that of many, that they may be saved." Paul lives like this himself. It was all possible for him.
- 6) Apostle Paul would not have done these things simply by his words. He was able to state this with his words because he lived this kind of life to the best ability to the point where he could confidently proclaim it.
- 7) You must also be in this spiritual state. You must deeply enjoy Christ and go deeply into the covenant. When you become sincere in your mission, you will be given the spiritual power to enjoy this life. Through this, every aspect of Paul's life was in conquest.
- 8) If you can live for the benefit of others, this means that you have conquered yourself. If you can conquer yourself, then you have defeated Satan who attacks you. Paul was a person like this. He is someone you can learn from. May you become like Paul.

2. With the covenant alone

- 1) Apostle Paul is a model to many. Apostle Paul is someone that you must imitate. Everyone can agree to the fact that he bore many fruits of answers. He was greatly used to begin Christianity. There may be many opinions, but he was the first figure that was used for Biblical evangelism. No one can deny this.
- 2) He started the culture of Christianity. At that time, there were many cultures of the Hellenists and Jews. That was the majority of the culture at that time. However, the evangelism movement that arose through him overturned the age.
- 3) He was the first evangelist who knew evangelism and disciples. There was no one before or after him that was like him. He received unprecedented and never repeated work.
- 4) In this aspect, he was in a league of his own. He was a unique figure of that time and was greatly used to rewrite the history of that time. He was the start of the great work that arose.

- 5) You live your life as you confirm that you will be used to change the stream of America and Latin America, rewrite the history of the world as you hold to the covenant, and pray. Is it possible for you and the church to be greatly used for this work? It is a very important question.
- 6) God will leave behind a masterpiece through you. The reason is simple. You can reach the answer if you compare yourself to Apostle Paul. Apostle Paul was greatly used by God because he had the accurate Gospel and received the covenant from God.
- 7) Just like the Apostle Paul, you received the Gospel and the covenant from God as well. The content of the covenant is the same as Apostle Paul. It is world evangelization. You must see Rome as well. You must stand before Caesar. It is the same covenant for this age of being used to save America, Latin America, remnants, of all nations, 237 nations, healing, and summit.
- 8) Apostle Paul did only one thing. It was evangelism. He simply followed God's will to share the Gospel and lived for the rest of his life raising many people. He simply did this and God took care of the rest.
- 9) How did Paul change the people's culture? How is it possible for him to overcome the Hellenist culture? You can never change the culture of one region with your will and might. With what method can you change the mindsets and the traditional lives of others? It is impossible to change it!
- 10) However, God can make it possible. He was a person who set the resolution to know of only Christ and evangelism. He considered everything else rubbish. He was a man of grace.
- 11) Then, it is possible for you. Joseph, Moses, Joshua, Hezekiah, and many other figures saw the fulfillment of the covenant. As long as you have the covenant, it will be fulfilled. Everything will be done as long as you receive the covenant for this age of Canaan.
- 12) God moves and stops the earth. God is at work for the sake of the covenant and His people. Isn't it amazing? That is why your life is simple. There is one thing you must confirm. You must confirm if you have the covenant or not. You must confirm if you truly hold to the covenant of Christ and world evangelism as your own. This is the Canaan of this age.
- 13) If so, the history and stream of America and Latin America will be rewritten. For the sake of this work, 100 mission teams and 100 churches will arise. This is the message God has given through the Bible. This is the covenant you must hold. That is how you will rewrite the history of the earth. May this amazing blessing be upon you.
