The Prepared Person

Acts 13:1-3

God makes all preparations. The fundamental condition is the Gospel. God's plan is the evidence that God has given you the Gospel. The Gospel is the fundamental content of God's preparation. Those who enjoy it will continue to seek God's will and God will guide them. Through the process, their spiritual eyes will open, the Word will come in them, it will be their covenant, and they will resolve to be one with God. Then, the preparation to conquer everything is finished.
