Sunday Core Worship

The Platform of the Spiritual Emperor

Genesis 37:11

If the Gospel is the foundation, prayer was given as a means to enjoy the Gospel. Worship and scheduled prayer are level-one prayer, but even doing just this well can change our imprints. Prayer that has taken root is prayer in life. It is continuous prayer in the morning, day, and night. There is a separate kind of prayer for becoming a spiritual emperor. This is prayer that has become our nature. Summit prayer means that this has taken place. This is the journey our prayer must take going forward.

1. **5 Ways must come out as 300%**
    1) Only takes place as the word is fulfilled.
    2) Without Only there isn't uniqueness and recreation.
    3) Knowing the important system that God is with me is prayer.
    4) Naturally 300% takes place in your occupation.

2. **Characteristics of Spiritual Emperors**
    1) Hold to the accurate covenant – God fulfills all things.
    2) No choice but to walk the path of the emperor.
    3) Only held to the covenant – but did not get deceived.
    4) Those who hold on to the incorrect thing perish – because they keep listening to other words.

3. **RT's Final Ministry**
    1) 3 Camp System – Guidance of the Holy Spirit.
    2) Go with the healing system.
    3) Go with the next-generation system – preparation for the nomadic people.
    4) Open your eyes to 3 things – Absolutely Impossible, Nobody, Nothing.

4. **Conclusion**
    1) The path of the emperor is a path of going alone. It is a path of going together and going far. It is a path that comes through enjoying.
    2) The start is the gospel, the process is worship, and the conclusion is the Word movement. Those who see this conquer.
    3) Those who grasp the covenant and follow the Word do not perish. If you lose a hold of the covenant, you will perish even if you do well.
