What to Do When it Does Not Work

Sunday Core Worship

Acts 18:1-4

When we look at the Bible, when people were going through difficulties, the door to greater answers was opened, and miracles always happened at those times. And through those events, people came to realize many things and also received important answers for the future. So, in fact, times when things are not going well can become times of greater blessing, and during those times, we may realize important things and receive the grace to be healed fundamentally. Because God does not change, the principle must be the same even now.

1. **What he did after being expelled**
    1) Acts 2:10 A sure mission.
    2) Acts 18:1-4
        (1) Main occupation changed after meeting Paul.
        (2) Financial blessings after this point.
    3) Acts 18:24-28
        (1) Met Apollos and conveyed the filling of the Holy Spirit of Mark's upper room.
        (2) 300%.
    4) 1 Cor. 16:19 – True evangelism meeting
        (1) The church in the house of Aquila and Priscilla.
        (2) Local that saves the church, Para that saves the world.
    5) Rom. 16:3-4
        (1) Saw the value worth risking his life for.
        (2) This is mission.
    6) For those who really cannot do it, do this. The message is to do this when things do not work – Priscilla and Aquila couple.

2. **Mystery of Restoration**
    1) The place where it does not take place is the start – God's plan – Answer.
    2) 40 Days.
    3) 300%.
    4) The people who resolved.

3. **Conclusion**
    1) Suffering – a time to find yourself – a time to discover the cause – a time to heal the fundamental.
    2) Someone who is too incompatible with you – God has a plan – God handles it – guideposts that you raise everyday.
    3) Then true strength and peace come, you can wait, and when you have assurance, you can challenge.
