1) Heaven, Throne, Eternal power

2) Soul, Heart•Thoughts, Physical body

3) Filling – Overflows to relay.

## Conclusion

'The 'Only' that God has given'

Everything in our lives must begin here. And we must always return to this. Why Christ? Why the kingdom of God? Why the filling of the Holy Spirit? If we realize and discover this every day, every hour, and in everything we do, we will tear down the forces of darkness with the strength and peace that come from above each day, and we will save the world that is in darkness.
