10/4/26 **The Eternal Things that Evangelism Disciples Must Have**

Sunday Core Worship Matthew 28:16-20

How can we do 300%? How can I succeed in my field of expertise? How can I do world evangelism too? Anyone can receive these answers. Because God is the One who does it, all we have to do is hold on to it as the covenant, pray, and enjoy it. The bartizan is the content of prayer, the journey is the process that God leads as a result of the bartizan, and the guidepost is the path that God has already determined.

   1) God has a time schedule. There is no reason to be discouraged. We just need to receive the Word.
   2) It is not about whether “we do well or poorly.” We just need to live according to God’s direction and goal.
   3) When we open our eyes, the answer will come. The problem was that Israel did not know Canaan.
