Sunday Core Worship

7 Points

Matthew 28:16-20

When our CVDIP becomes an absolute bartizan, a platform, watchtower, and antenna will arise. We will be able to see the future in advance and open the three ages. The three courtyards are the mission we must carry out, and to fulfill this mission properly, we must make good use of Friday, Saturday, and Sunday. Ultimately, we must open the Age of Holy Meditation. Without meditating on the Word of God and deeply enjoying the covenant, no one will be able to overcome the end times that are approaching.
