God's Desire and Life Healing

Matt 28:16-20

The one who knows what God desires is the one who has their eyes opened. The one who does this will come to see the evidence and will ultimately become the masterpiece left behind. The reason we can say this is because the Bible says so, and because God works according to the Bible. If what God desires becomes my desire, the wall between God and me will crumble, and Oneness will take place. The one who has this state will live a grand life.
